Owner and Operator of Kings Corner Training Stables since 1989

- ★ Ride, train and show horses in a variety of disciplines: Dressage, Eventing, Hunters, Jumpers, Western Pleasure, Western Dressage, Trail, Reining, and occasionally Driving.
- ★ Teach riding lessons and clinics, to all levels and ages of riders. From basic remedial riding to advanced levels of Dressage, Eventing and Show Jumping. Travel with students to competitions of all levels from Local to International.
- ★ Operate a summer day camp program for riders of all levels. Involves education in horse management knowledge as well as riding.
- ★ Manage small training stable: purchasing feed, bedding, making repairs and improvements. Designing and building jumps and designing courses. Overseeing all daily operations.
- ★ Oversee health of stabled horses, providing first aid and medical support under the supervision of a veterinarian. Giving inoculations, administering medication to horses, bandaging injuries and removing sutures.
- ★ Manage a Breeding Program: Managing multiple stallions for Artificial Insemination and all related treatments for the mare and stallion. Providing care to mares in foals, during, foaling and aftercare, including uterine lavage and uterine infusions
